IMPORTANT NOTE: You will be notified through your Hawkeye Community College email of the outcome of your appeal. If your appeal is granted, you must stop by your department office or see your advisor to pick up your suspension appeal contract. The suspension appeal contract will state the necessary actions needed to be taken for you to register or to remain enrolled in classes. If changes to your schedule need to be made, those **changes must be made by the first day of the appealed term.** If changes are not made by the first day of the term, your appeal may be overruled and your schedule dropped.

If you are currently receiving financial aid or wish to receive financial aid, please contact the Financial Aid Office at (319) 296-4020 as soon as possible to check on the status of your financial aid file if the appeal is approved and you are readmitted back into the college.

You may appeal your academic suspension if you believe there are circumstances that should be considered by the Suspension Review Committee.
