The computer program that determines whether you were in compliance with the Financial Aid Progress Standards was run after grades were posted.

The assessment of whether you were in compliance was based upon the grade(s) that were submitted and recorded on the college computer system as of that date.

However, we realize grades may have changed since then. Therefore, if you would like your records reviewed to see if you are now in compliance and can be removed from financial aid warning, please print and fill out this form, and then return it to the Financial Aid Office within ten days of receiving your changed grade.

Remember, you are still eligible to receive your financial aid. However, if you fail to meet the standards at the end of the following term, you will be placed on financial aid suspension, and lose your eligibility to receive financial aid in the future.

➢ Please review the Financial Aid Satisfactory Academic Progress Standards Policy on the Hawkeye website.
